										Student	Non-Student				
Composer(s)															
Performer(s)															
Audience															
Other															

Please use the Final Report to comment on any atypical or specific demographics, including but not limited to:

1. Would you describe the audience as urban, suburban or rural? Please qualify and quantify, estimating proportions.
2. Would you describe the audience as “typical” for a new-music audience or as “underserved?” Please qualify and quantify, estimating proportions.
3. Please comment on specific aspects concerning diversity for the event (e.g. — “Nearly twenty Hmong immigrants turned out to hear the concert” or “Eight nuns from the local convent were in attendance”).
